You failed to provide veterinary care to an adult female Dachshund who had excessively long nails.

You failed to properly separate expired medication from current medication.

3.1(a) Housing facilities, general...housing must be designed and constructed so that they are structurally sound...kept in good repair, and they must protect the animals from injury, contain the animals securely, and restrict other animals from entering.

You failed to maintain outside shelter; metal screws were exposed.

You failed to maintain enclosures; a six inch gap was identified on the enclosure fencing.

3.1(c)(3) Housing facilities; cleaning...hard surfaces with which dogs or cats come in contact must be spot-cleaned daily and sanitized in accordance with 3.11(b) to prevent accumulation of excreta and reduce disease hazards.

You failed to remove and clean a mixture of dirt, grease, and other excreta.

3.4(b)(3) Shelter from the elements, Wind and Rain Breaks...outdoor facilities for dogs and cats must include one or more shelter structures that are accessible to each animal in each outdoor facility, and that are large enough to allow each animal on the shelter to sit, stand, lie in a normal manner.

You failed to provide wind and rain breaks at the entrance to dog shelters.

The Animal and Plant Health Inspection Service (APHIS) created federal regulations to ensure the welfare of animals and help prevent the spread of animal and plant pests and diseases. Since violations of the regulations can have serious and costly impacts that are detrimental to the public interest, APHIS is providing you with an Official Warning for the violation(s) described above. Any further violation of these federal regulations may result in the assessment of a civil penalty, criminal prosecution, or other sanctions. If you have any questions concerning this Official Warning or violation(s), please contact the APHIS official listed in this notice.
